

Caretaker Support Services

As a facility's caretaker manager, O'Brien & Gere provides site management-infrastructure services designed to support the firm's clients' best interests and to protect client assets.

O'Brien & Gere offers comprehensive operations and maintenance (O&M) services for a variety of closed industrial and municipal facilities.

THESE SERVICES INCLUDE:

- Plant management and administrative operations
- Boiler and utility O&M
- Water and wastewater O&M
- Management of service contracts to continue essential services including:
 - Fire protection/sprinkler systems/emergency power systems
 - Electric and gas utility service
 - Electrical power distribution
 - Security
 - Plant support systems (wastewater, water [potable and DI])
 - Buildings/grounds maintenance
 - Waste management (hazardous and non-hazardous)
 - Janitorial services
 - Small capital projects
 - General equipment maintenance

O'Brien & Gere is highly-qualified and ready to provide the services needed to protect your facility assets, maintain the appropriate level of operation, and safeguard your investments.
